

Ned Koenig Education Fund

The Medical-Dental-Hospital Business Associates (MDHBA) established its Education Sponsor program in 2006. At its 2009 meeting in California, the MDHBA Board of Directors voted to recognize former president and long-time contributor Ned Koenig by renaming the Education Sponsor Program to the Ned Koenig Education Fund. This program's purpose is to raise funds to increase the quality of the seminars and atmosphere at MDHBA's educational programs. Through the generous support of our sponsors, MDHBA successfully accomplished this task, as demonstrated by attendee feedback, the introduction of new programming ideas, and the involvement of key industry partners.

All sponsorship dollars contributed to this program will be used for the following:

- Speaker support
- Meeting materials
- Program support

For your commitment to help MDHBA increase the quality of its programs, contributors will receive:

- Recognition in printed materials supporting MDHBA educational programs
- Recognition at MDHBA educational events
- Recognition on the MDHBA web site

Your contribution today will have a direct and positive affect on MDHBA's educational offerings and the organization's success in presenting quality programs!
